

Time,

Decides who you meet
in your life.

Heart,

Decides who you want
in your life.

Behaviour,

Decides who will stay in
your life.

Why God Made Teachers

When God Created teachers, He gave us
Special friends, To help us understand his
world And truly Comprehend the beauty
and the wonder of everything. We see And
become a better person With each discovery.
When God created teachers, he gave us special
guides, To show us ways in which to grow. So, we
can all decide → how to live and how
to do - What's right, instead of wrong - to lead
us, so that we can lead And learn how to be strong.
When God Created teachers, In his wisdom and
his grace, was to help us learn, to make our
world → A better wiser place.

Nature

Oh wonderful nature,
You are so beautiful.

With green trees,
And humming bees.
The grass is so green,
And water is so clean.

Birds fly in the sky,
And mountains are so high.
The wondering butterflies,
Make my thoughts fly.

The waterfalls are so cool,
Just like a swimming pool.
I love nature very much,
God give us this feature.

My Dear School

My school is like a second home,
Where I learn, laugh and freely roam.
Friends and teachers, kind and bright,
Fill my days with joy and light.

Books and lesson, games & fun,
Every day, a new one began.
Oh, my school, so dear to me,
A place of dreams and memories.
